Dear Guest,

thank you for choosing to participate in the Walk through Ravello, Atrani, Amalfi.

This is a group trek, organized by the hiking guide Mr Matteo Giordano (+393202722599) and Mrs Paola Cioffi (+393393747368).

The walk is a trekking path 3,1 Km long, linking Ravello to Amalfi in about two hours.

It is almost completely downhill and developed through an old stone staircase with few stretches of mountain road. Therefore it is recommended to wear comfortable and adequate shoes.

The meeting point is Ravello, Vescovado square, at 4:15pm right at the bottom of St Pantaleone cathedral stairs where you will be reached by our guides.

If you need to contact the guide, you can call him at his phone number.

The walk path goes through Torello and Atrani where you can appreciate the magnificent Amalfi coast landscapes surrounded by lemon gardens.

Have a nice trek!
